

Our five key objectives

1 Improve the website experience

2 Make your pension simpler to understand

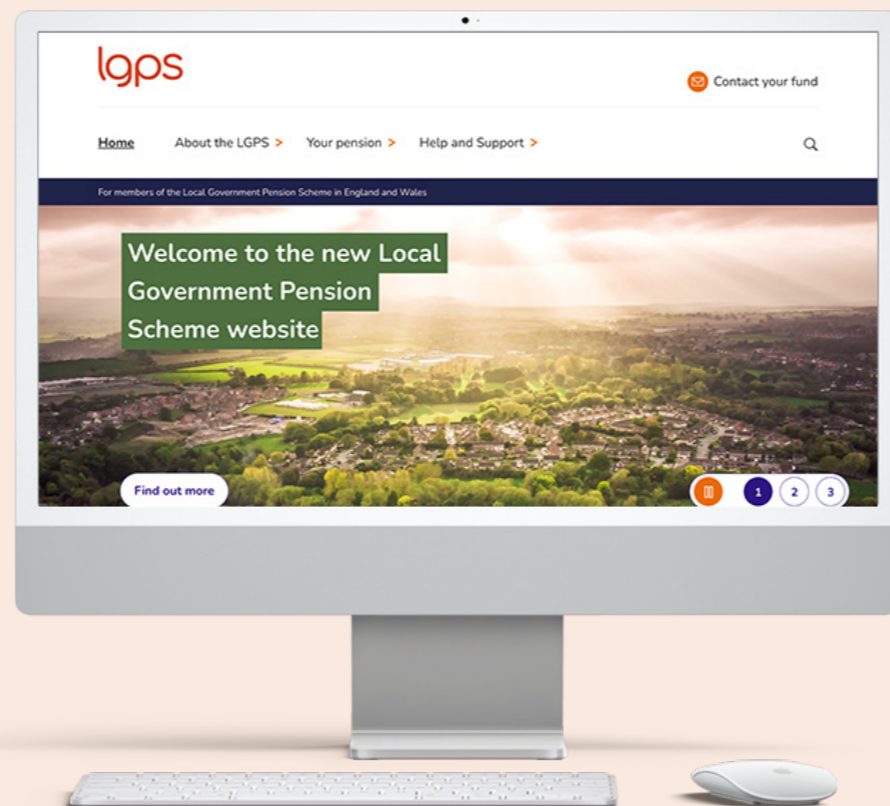

3 Make the website accessible to everyone

4 Keep you up to date with the latest news

5 Test and learn so we can make improvements

We've transformed our brand and website to improve your experience

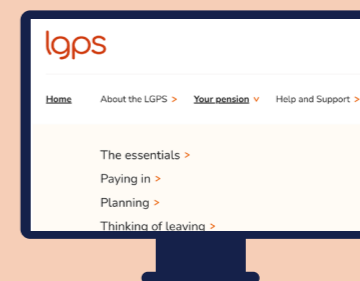

The experience of each of our 6 million members is at the heart of everything we do. So we've transformed our brand and website to be...

Simple | Friendly | Confident

lgpsmember.org

See our new website in action
