Member Guidance notes for completion & additional information

* **IMPORTANT** - If you have ticked '7 days or more' then you may be asked to undertake a medical assessment. Additional contributions can be paid on a provisional basis straight away. Your application to pay APC's will be cancelled and any contributions paid on a provisional basis will be refunded to you if your Employer's Occupational Health medical practitioner believes that you have a reduced likelihood of working up to your Normal Pension Age as a result of an underlying health condition.

If you have ticked '7 days or less' and we have received the lump sum payment your record will be updated accordingly. However, if East Sussex Pension Fund is made aware that the number of days that you have been absent due to sickness in the year ending on the date that you sign this form is 7 days or more, then your purchase of additional pension will be cancelled and any extra contributions already deducted will be returned to you.

You should **NOT** complete this form if you wish to pay extra contributions to buy back pension 'lost' during a recent period of unpaid leave. Please contact your employer for the appropriate form if you have recently returned from unpaid leave and want more information about your options.

You **SHOULD** complete this form if you are electing to buy extra pension in the LGPS via regular instalments. Follow the instructions below.

1. Visit **www.lgpsmember.org**, and click on 'Additional Pension Calculator' at the foot of the page and then select 'Buy extra pension – Quote and apply'.
2. Once you have decided on the amount of additional pension that you would like to buy via monthly deductions, and the period over which the contributions should be deducted, then you should print a copy of the Application available from the website. **IMPORTANT** - Please check the output carefully before taking any further action.
3. Complete Sections A and B of this form and return together with the application from the online calculator to Pension Services. The form can be emailed or sent to us by post.

What happens next?

Once the payment and completed form are received, East Sussex Pension Fund will contact you in writing to confirm the amount of additional pension that you have elected to purchase via a lump sum.

One of the factors used to determine the cost of buying extra pension in the LGPS is your age. If you submit your application to pay APCs shortly before your birthday, then it may be necessary to amend the amount payable. If this applies to you then the Pensions Admin Team will write to you to let you know.
