Governance Policy Statement

Introduction

1. This is the Governance Policy Statement of the East Sussex Pension Fund, which is managed by East Sussex County Council, the Administering Authority (Scheme Manager) on behalf of all the relevant employer bodies in the Fund. All Local Government Pension Scheme (LGPS) Funds in England and Wales are required to publish and keep under review a Governance Compliance Statement.
2. The Governance Compliance Statement of the East Sussex Pension Fund is comprised from the Compliance to Statutory Guidance Statement and a Governance Policy Statement. The Public Services Pensions Act 2013 (The Act) introduces a new framework for the governance and administration of public service pension schemes. The Act has a material impact on existing governance arrangements in the Local Government Pension Scheme (LGPS), which are enforced by changes to the LGPS regulations.
3. As a result of the Act, The Pensions Regulator has introduced codes of practice covering specific areas relating to public sector pension schemes. The changes to the LGPS regulations and introduction of The Pensions Regulator code of practice 14 and changes in the Scheme of Delegation approved by County Council on 14 October 2014 require revisions to the existing East Sussex Pension Fund Governance Compliance Statement.
4. As Administering Authority, East Sussex County Council is the designated statutory body responsible for administering the East Sussex Pension Fund on behalf of the constituent Scheduled and Admitted Bodies in the relevant area. The Local Government Pension Scheme Regulations specify that, in investing the Fund's money, regard must be given to the need for diversification and for proper advice obtained at reasonable intervals.

Governance of East Sussex Pension Fund

5. East Sussex County Council operates a Cabinet style decision-making structure. Under the Constitution, the Pension Committee has delegated authority to exercise the powers of the County Council in respect of the pensions of all employees of the Council (except teachers), including the approval of the pension fund admission agreements. It also has authority for the management of the pension fund. The pension fund governance focuses on:
 - The effectiveness of the Pension Committee, the Local Pension Board (Pension Board) and officers to which delegated function has been passed, including areas such as decision making processes, knowledge and competencies.
 - The establishment of policies and their implementation.
 - Clarity of areas of responsibility between officers and Pension Committee/Board members.
 - The ability of the Pension Committee/Board and officers to communicate clearly and regularly with all stakeholders.
 - The ability of the Pension Committee/Board and officers to ask for the appropriate information and advice and to interpret that information in their supervision and monitoring of the Scheme in all areas.
 - The management of risks and internal controls to underpin the framework.

East Sussex Pension Fund

The Overall responsibility for the governance of the Local Government Pension Scheme and for the approval of this document resides with the Pension Committee.

The East Sussex Pension Fund

Responsibilities of the East Sussex Pension Board

6. To help to ensure that the East Sussex Pension Fund is managed and administered effectively and efficiently and complies with the code of practice on the governance and administration of public service pension schemes issued by The Pension Regulator.
7. To provide assistance to East Sussex County Council as the Administering Authority and the LGPS Scheme Manager in securing compliance with:
 - LGPS Regulations and any other legislation relating to the governance and administration of the LGPS;
 - requirements imposed in relation to the LGPS by The Pensions Regulator;
 - the agreed investment strategy; and
 - any other matters as the LGPS regulations may specify.
8. The role of the Pension Board will be oversight of these matters and not decision making.

Frequency of meetings of the East Sussex Pension Board.

9. The Pension Board meets at least 4 times a year. The full term of reference are publicly available as part of the County Council constitution and are available on the Funds shared website with ESCC at:
<https://www.eastsussex.gov.uk/yourcouncil/about/keydocuments/constitution/>

Operational Procedures of the Pension Committee and Pension Board.

10. The Pension Committee receives and reviews quarterly reports from all its Investment Fund Managers and the independent Investment Adviser, Isio. The Pension Committee is also advised by an additional Independent Advisor. In addition, the Pension Committee and Pension Board is advised by the County Council's Chief Finance Officer (in their capacity as the Council's designated Treasurer). The Pension Committee and Pension Board also receives an annual report from the Fund's independent performance measurement provider which reviews the long-term performance of the Fund and of each of the Investment Fund Managers in relation to their targets. The Committee also holds a separate Annual Strategy Meeting at which it reviews the overall investment strategy of the Fund.

11. To secure effective and efficient governance and administration of the LGPS for the East Sussex Pension Fund by:
 - Considering decisions taken by the Pensions Committee, or any identified issues raised by Pension Board members and other relevant parties, and to ensure that appropriate procedures are carried out.
 - Retaining an overview of LGPS policy and strategy and performance information and the performance review timetable.
 - Making representations and recommendations to the Pensions Committee as appropriate.
 - Considering and responding to any Secretary of State / Responsible Authority performance data concerning the local fund.

Membership of the Pension Board

12. In accordance with Regulation 107 of the LGPS Regulations 2014, a Pension Board must include an equal number of employer and member representatives with a minimum requirement of no less than four in total. In considering the size of the East Sussex Pension Board, the Council has taken into consideration number of factors including:
 - The size of the Council's existing Pension Fund governing arrangement and decision making process.
 - The number of scheme members, number and size of employers within the Fund and any collective arrangements in place for them to make decisions or provide input in relation to Fund matters.
 - The direct and indirect cost of establishing and operating the Board.
13. Composition of the East Sussex Pension Board - The Pension Board shall consist of 7 members as follows:
 - Employer representative x 3
 - Scheme member representative x 3
 - Independent Chair x 1

Pension Board Representatives nomination/appointment

14. The methodology for appointing employer and member representatives is not prescribed by the Regulations. It is therefore up to the Administrative Body's (ESCC) discretion to establish an appropriate process, which has been included within the East Sussex Pension Board constitution and terms of reference.
15. The term of membership and the impact of seeking representations every 4 years, a phased approach to the term of office for Pension Board members have been developed. Not all Pension Board member's terms of membership come to an end in the same year. This will then ensure that at no point is the Pension Board required to seek nominations for more than 50% of the Board.
16. The Governance Committee has the delegated authority to either confirm a full appointment of a Pension Board member for 4 years or to agree a temporary extension of the term by 2 years where the same term has not already been extended without a full appointment being made.

Vice Chair appointment

17. Meetings of the Pension Board cannot go ahead without the Chair or Vice Chair present, so there is a risk that a meeting of the Board would not be able to proceed if the Chair is unable to attend for any reason.

18. The Pension Board agreed that in order to maintain the balance between scheme members and employer representation that a scheme member vice chair and an employer vice chair would be nominated from the existing Pension Board members, and that the role of vice chair would alternate between scheme member and employer at each meeting.

Membership of the Pension Committee

19. The County Council appoints five members to the Committee in accordance with political balance provisions. All members of the Committee have voting rights.

20. In relation to Pension Matters, the Committee consider directly all issues relating to pension administration, such as changes in benefit regulation, admission agreements, the Pension Fund Investments, etc.

Consultation with Employing Authorities

21. All employing bodies are kept informed of current pension issues, such as proposed changes in the regulations and their implications, by newsletter. They are encouraged to get in touch if they have questions.

22. In addition to these electronic briefings, the East Sussex Fund holds an annual employers forum to which all admitted bodies of the Fund are invited. This was held virtually in 2020, due to the Covid-19 pandemic, but will be re-instigated as a physical event when Government guidelines permit. This annual meeting covers both actuarial and investment issues and always contains a presentation from the Fund's Actuary. The District Councils receive feedback from their representatives on the Pension Board and are also briefed on pension matters bi-monthly by the Fund's Treasurer at meetings of the East Sussex Financial Officers Association. Update briefings to these meetings are also circulated by email to all other employers in the East Sussex Pension Fund.

23. All employees receive periodic newsletter update on pension issues, especially on any changes affecting benefits. These updates are shared with all employers.

24. More detail on the approach to communication is covered in the separate Pension Fund Communication Statement.

ACCESS Pool Governance

26. The ACCESS Pool is not a legal entity in itself but is governed by the Inter Authority Agreement signed by each Administering Authority. The Inter Authority Agreement sets out the terms of reference and constitution of ACCESS.
27. The formal decision-making body within the ACCESS Pool is the ACCESS Joint Committee. 31. Strategic oversight and scrutiny responsibilities remain with the Administering Authorities as does all decision making power to their own Funds asset allocation and the pooling of assets that each Fund holds within the arrangements developed by the ACCESS Pool.
32. The diagram below sets out the overarching ACCESS governance arrangements.
